Let’s take a quick road trip just beyond I-65 to Perry Township (one of thirteen in our county). In addition to being the home of several excellent county schools and two meandering branches of Wildcat Creek, this is a blossoming residential area. Hotels, big-name stores, churches, scout camps, and locally-owned businesses pepper the gently rolling hills. In fact, this area of slightly more than 36 square miles has about all everyone needs, except a neighborhood public library. Tippecanoe County Public Library’s newest neighborhood branch will be located at 5542 E 50 S, Lafayette, IN 47905.
